The applicant must submit this application to the county tag office along with the required fees and documents. Once you receive your "approved" application, you may hold the application until your renewal period or if you desire to purchase your plate earlier you will be required to pay an additional renewal fee of \$25.00 and \$20.00 tag fee when applicable. However, during your renewal period you will be required to pay the annual renewal fee of \$25.00, \$20.00 tag fee, ad valorem tax and any mailing fee or penalties which may be due. Failure to submit a copy of this "approved" application will result in the issuance of a regular-series license plate.

I request that the specialized license plate indicated above be manufactured and I understand that a refund will not be made if I decide I don't want the license plate. I check an incorrect item or I become ineligible for it (e.g. I become a resident of another state, etc.)

(Applicant's Signature or Surviving Spouse's Signature)

GA Driver's License # or SSAN

Instructions

Eligible registrants may receive one of the license plates listed on the front of the MV-9W by completing this application and complying with the requirements for the application license plate. The MV-9W application must be returned to your county tag office. Additional license plates may be requested by submitting an additional application and manufacturing fee for each tag that is being requested. When you make application at the local county tag office, you are required to pay \$25.00 renewal fee, \$20.00 tag fee and the manufacturing fee of \$25.00, when applicable.
